Oasis community sports was established with an aim of providing gold standard sports coaching to children in the UAE.

WHAT WE DO

Oasis Community Sports is a leading enrichment service provider offering programmes to children, adult, community, and corporates. The School Sports Management framework below is a field-tested roadmap that is designed to elevate the learning experience for children whilst providing profitable avenues for School and Sports providers.

AUDIT

Conduct an audit of all present sports suppliers and sports facilities.

The results of the facility assessments and recommendations will be shared with the school principal and PE teacher.

CO-CREATE

Collaborate to develop and create a strategy for each school

Provide leadership options in all critical areas for schools.

Assigned a Sports Coordinator to the school.

GOVERNANCE
